

2018 2ND INTERNATIONAL CONFERENCE ON APPLIED MATHEMATICS, MODELLING AND STATISTICS APPLICATION (AMMSA2018)

WELCOME

Welcome to the 2018 2nd International Conference on Applied Mathematics, Modelling and Statistics Application (AMMSA2018) which will be held on **May 27-28, 2018 in Sanya, China**. AMMSA2018, by providing a platform where the latest research achievements by world renowned scientists in these areas are presented, will be beneficial both to its participants and other researchers sharing the same interest. We heartily look forward to your participation and presence!

CALL FOR PAPERS

Topics of interest for submission include, but are not limited to:

Mathematics and Applied Mathematics	Statistics
System Modelling and Simulation Technologies	Optimization Methods
Computing Methods and Advanced Computing	Formal Methods
Application Domains	Other Related Topics

PUBLICATION

AMMSA2018 will be published by Atlantis Press on [Advances in Intelligent Systems Research \(ISSN 1951-6851\)](#), which will be submitted for indexing by which will be submitted for indexing by [EI Compendex](#), [CPCI-S \(formerly called ISTEP\)](#), [Scholar Google](#) and [CNKI Scholar](#).

SUBMISSION

Submit your papers via email: cfp@ammsa2018.org or ammsa2018@sina.com

Submission deadline: **March 1, 2018**

The email subject should be named "Submission+ Full Name".

CONTACT

Email: cfp@ammsa2018.org or ammsa2018@sina.com

Phone: +86-15717129507
